ORDER: -

In the reference 1st read above, Government of India approved the National Programme for Capacity Building of Architects in Earthquake Risk Management (NPCBAERM) and communicated necessary guidelines for implementation of the above programme in the State. Accordingly, in the references 2nd and 3rd read above, Government of India sanctioned an amount of Rs.8,59,052/- to meet the expenditure on imparting training through the designated State Resource Institutes (SRIs) for practicing Architects in the State under the National Programme for Capacity Building of Architects in Earthquake Risk Management (NPCBAERM).

2. In the reference 4th read above, the Director, National Disaster Management (NDM.III), Ministry of Home Affairs, New Delhi, have furnished a copy of the course module of the Training Programme for Architects under NPCBAERM.

3. In the reference 5th read above, the Govt. of India have communicated the minutes of the meeting of the Programme Steering Committee (PSC) of National Programme for Capacity Building of Architects held on 19.02.2010 at the premises of the NIDM, New Delhi, wherein the following decisions have been taken.

Contd..2

I). Minimum number of participants per training programme and duration training programme:

- (i) The minimum batch strength of each training programme under NPCBAERM, should be 20 participants;
- (ii) Duration of a training programme under NPCBAERM may be 24 lecture sessions of 1 hour each spanning over 5 days. Activities presently undertaken in studio sessions may be taken care of by the participating architects in their own work-place.

II). Amount for food and cost of conducting training:

- (i) Under the above programme, the boarding & lodging charges should be provided to Rs.700/- per day for outstation participants. For local participants the rates for tea/coffee (2 times) and lunch should be provided to Rs.250/- per participant per day.
- (ii) The training cost should be raised from Rs.27,500/- to Rs.74,000/-. The Item-wise break-up of maximum training cost will be as under:-

		NPCBAERM
1.	<u>Honorarium:</u>	
	(i) In-house Master Trainers	Rs.1000 X 24 = 24,000/-
	(ii) External Resource Persons	Rs.20,000/-
	(iii) Course Coordinator	Rs.10,000/-
	(iv) Support Staff	Rs.5,000/-
2.	<u>Stationery:</u> @ Rs.250/- Participants	Rs.250 X 20 = 5,000/-
3.	<u>A.V. Hiring Charges</u>	Rs.10,000/-
4.	<u>Miscellaneous Expenses</u>	Nil
	Total:	Rs.74,000/-

III). Any other Items:

- (i) The cost of training indicated above does not include cost of study material for the participants which will be required to be provided to the State Resource Institutes (SRIs) separately. PSC decided that National Institute of Disaster Management (NIDM) may work out the economics of the proposal on publication and distribution of the material to the SRIs on a buy-back arrangement after the cost-effectiveness of the arrangement is worked out and go ahead after it is established that the option would be both economical and efficient.
- (ii) PSC also approved conducting the training programme outside the premises of the SRIs provided batch strength of the training programme is maintained at approved level.

4. After examining the training programme in consultation with Principal, School of Planning and Architecture, Jawaharlal Nehru Architecture and Fine Arts University, Mahaveer Marg, Masab Tank, Hyderabad. A.P., in the reference 7th read above, the Consultant, NIDM, New Delhi has been informed that there are

Contd..3

total 1424 Architects in the State, out of which 1086 Architects are located in Hyderabad city only. The number of Architects to be trained is only 378. Nearly 77% of the practicing architects are located in and around Greater Hyderabad Municipal Corporation (GHMC) and it is not feasible to distribute funds equally to 7 SRIs across the State. The only better option is to exhaust the training of the Architects residing in the GHMC first under this training programme. In view of the huge density of population in the area of GHMC, the disaster could be serious in GHMC when compared with other towns in Andhra Pradesh. There is need to train the Architects in GHMC first and other towns could follow in due course. Moreover, there are only 8 to 10 Architects working in State Govt. departments. Hence, it is not possible to follow the ratio of 60:40 in selection of the Architects for the training programme. Therefore, the Consultant, NIDM, New Delhi has been requested to allow the Govt. of AP to allot the aforesaid amount to SRI Hyderabad i.e., School of Planning and Architecture, Jawaharlal Nehru Architecture and Fine Arts University, Hyderabad so as to train the Architects in GHMC only. Further, it is requested to consider doubling the existing budget to conduct the training programmes in other towns. It is also requested to relax the condition of covering Govt. and private architects in the ratio of 60:40.

5. The Consultant, NIDM, New Delhi in his E-mail in the reference 8th read above, has stated that the NIDM has no objection to the proposal to release the grants to the School of Planning & Architecture, Jawaharlal Nehru Fine Arts University, Hyderabad for imparting training to the Architects located in GHMC and dispensing with the ratio of 60:40 between Govt. and private sectors. Regarding doubling the budget for conducting training programme at other towns, the NIDM has stated that this issue may be examined after training of the Hyderabad based Architects, are completed.

6. Accordingly, Government hereby accord administrative sanction for an amount of Rs.8,59,000/- (Rupees Eight Lakhs and fifty nine thousand only) to the Principal, School of Planning and Architecture, Jawaharlal Nehru Architecture and Fine Arts University, Mahaveer Marg, Masab Tank, Hyderabad. A.P., for imparting training to the Architects located in the area of GHMC by doing away with the ratio of 60:40 between Government and Private Sectors.

7. The amount sanctioned in para 6 above shall be debited to the following Head of Account:

2245	-	Relief on account of Natural Calamities
80	-	General
MH.003	-	Training
SH 04	-	Training
200	-	Other Administrative expenses.

8. The Asst. Secretary to Government, Revenue (DM) Department is requested to draw the amount sanctioned in Para 6 above on A/c Bill and send the Cheque to the Principal, School of Planning and Architecture, Jawaharlal Nehru Architecture and Fine Arts University, Mahaveer Marg, Masab Tank, Hyderabad. A.P.

:: 4 ::

9. The Principal, School of Planning and Architecture, Jawaharlal Nehru Architecture and Fine Arts University, Mahaveer Marg, Masab Tank, Hyderabad. A.P., is requested to organize Training programme as per the Guidelines of the Government of India strictly and send detailed Voucher Bills for the above sanctioned amount after the training programme is completed.

10. This order issues with reference to the Budget Release Order issued by Finance Department and vide their U.O.No.24390/313/A2/Expr.Rev./10, dt. 25.09.2010.
